## Tanzania Water Project

Abiding Savior is privileged to have a companion congregation in Makungu, Tanzania. Makungu is a village of about 1,000 people up in the mountains of the Iringa Region of Tanzania. The people there live mostly as subsistence farmers growing what they eat. The village has a primary school, a clinic, and a Lutheran Church. What Makungu does not have is access to clean drinking water.

Currently the village gets their water from a ground source that is down the hill from the village. That means that the women and the children have to walk down, fill their drinking water containers, and carry their drinking water back up the hill usually on their heads. This water retrieval takes hours out of their day when children could be studying and the women working. What is worse, the water they are drinking is filled with e-coli and other harmful bacteria.

Through a partnership between a clean water non-profit called St. Paul Partners and the University of Minnesota School of Engineering, five engineering students visited Makungu this past January where they studied the village and designed a clean water plan for the village. The cost estimate for this project is about \$33,500.

St. Paul Partners has staff in Iringa to coordinate the construction of the plan the students created. The village of Makungu provides the majority of the labor and Abiding Savior is asked to help fund the clean water project.

Through this partnership between the U of M, St. Paul Partners, Abiding Savior, and the Village of Makungu, we will make clean water a reality for the village, and it will be literally life changing for the people of Makungu. The students who travelled to Makungu and their advisor will be with us at Abiding Savior on Sunday, April 28, to present an Adult Education hour at 9:00 AM in the Coffee House and to share briefly during the 10:00 AM worship service.

How exciting to be a part of this life changing and lifesaving project in Makungu. Come to the Adult Forum and worship on April 28 to learn more. Our worship that day will be highlighting our partnership with the Makungu Parish not just concerning this water project, but also the secondary school scholarships, prayers, and relationships.

See you in worship!

—Pastor Ryan

## Call Committee Update

The Call Committee has had two meetings. At the first meeting on February 21, the committee met with Assistant to the Bishop of the St. Paul Area Synod, Deacon Krista Lind. She gave us an overview of the work ahead of us. As a committee, confidentiality is stressed. The tasks we are currently working on are:

1. Complete the Ministry Site Profile (MSP)
2. Compile interview questions
3. Interview candidates

CALL COMMITTEE  
ABIDING SAVIOR

We elected Sandy LaCroix and Brea Schultes as co-chairs of the Call Committee. We also elected Kathie Anderson, Megan Sangren and Christina Larson-Dickson as Communication chairs.

Our second meeting was on March 6. The committee edited the rough draft of the MSP. As a group, we went through multiple choice questions clarifying how we are as a congregation, and discussed the type of candidate we are hoping to interview.

Our next meeting will be on April 10. We will be discussing how our community has been challenged by change and will create interview questions.

## Growing Through Loss Begins April 8

All of our lives are touched by the experience of grief of some kind. We know the pain of loss, of sickness, of death, of separation, of changes in our lives. Grief is hard. We need to know we are not alone in grief.

These sessions will be on **Monday evenings, April 8 through May 13 from 7:00—9:00pm at Christ the King LC in New Brighton**. Each session begins with a speaker on an aspect of grief. Then there will be an opportunity to meet in a small group with those experiencing a similar loss (loss of parents, loss of spouse, loss of child, separation or divorce, suicide loss, and transitional loss (empty nest, moving, job loss, broken relationship, financial setbacks)).

## Abiding Savior Preschool - Building a Strong Foundation

We are almost done with our school year which is hard to believe! We have had such a busy, but fun year! In April we'll be having a fire truck visit which is always such a huge hit with the kiddos! They will be able to look in the truck as well as see some of the fireman's equipment! The preschoolers and toddlers will have a blast!

We are still accepting registrations for the 2024-2025 school year; however, we are already full on a couple of the days! It is AMAZING to be able to say that! Our toddler room is quickly filling up again, which is another exciting aspect of our program! To register or to learn more about our program, please visit our new website at [www.abidingsaviorpreschool.com](http://www.abidingsaviorpreschool.com).

Thank you for your continued support of our program! It is very much appreciated by all of us associated with the preschool!

**Youth Gathering Craft Fair** — Mark your calendars for a Youth Gathering Craft Fair on **Saturday, May 11** (just in time for Mother's Day)! ## God's Work. Our Hands.

**Irondale Food Pantry:** Our last delivery of this school year included backpacks, snacks, hygiene items, T-shirts, and leggings. Students experiencing financial, personal, or family difficulties can receive some needed supplies and support thanks to a generous Irondale alumnus and Dawn G's super-shopper coupon and sales expertise. Good job caring for our high school friends!

**Quilts Delivered:** Thanks to our quilting group, colorful, warm quilts were delivered to Bridging MN. Bridging helps supply basic home furnishings to people transitioning out of homelessness and poverty into independent living situations. How nice to have a handmade quilt to wrap up in.

**Meals on Wheels:** Our next delivery week is April 8-12. If interested in helping during any of our roughly once-every-eight-weeks delivery schedule, please let Fern Fisher or the office know. We can use substitute drivers, pairs/couples, individuals, ride along to see how it works – just about any form of help is welcome. Thank you for considering this important outreach opportunity.

**March FoodShare:** Thanks to everyone who contributed or helped with our food collection for Ralph Reeded Food Shelf during March. They have been offering food assistance since 1982. Think of all the families and individuals that have received needed nutrition during these 42 years!

**Global Health Newborn Kits:** Wow! Many, many thanks for your generous response to this Lenten project. Our goal was 40, upped to 45, and finished at 50 kits. What a gift to mothers and newborns around the world, as Global Health says the newborn kits are included in every shipment they send. Special thanks to Cheryl Bornhorst for leading the project.

## Adult Christian Ed Opportunity Starting April 10

**The Holy Spirit: Getting to Know that Comforting, Inspiring, Unpredictable Third Member of the Trinity**  
Wednesdays, April 10 - May 1 | 5:30 - 6:30PM in the Coffee House | Led by Pastor Marla

Each time we say the Apostle's Creed we say we believe in the Holy Spirit. But just what do we believe about the Holy Spirit? Who is the Holy Spirit? Jesus said that it was better that he leave so that the Spirit could come, but wasn't the Spirit there from the time of creation? Jesus promised to send us the Comforter and Advocate, but that wild Spirit that came with a rush of a violent wind and rested on the disciples' heads as tongues of fire doesn't sound very comforting! What does the Bible have to say about the Holy Spirit? What does the Lutheran Church have to say about the Holy Spirit? Some churches seem to have more focus on the Holy Spirit – what do Lutherans believe about the Holy Spirit? How does the Holy Spirit affect our lives individually and as a Christian community? What is the Spirit's role in our faith and prayer life? What are spiritual gifts? How can we recognize the Spirit at work, or can we? We'll delve into these questions and more as we do a deep dive into the Holy Spirit. Come with your questions, curiosity and eagerness to learn more.
