High school youth leaders (students in grades 9 – 12 during the 2020/21 school year) grow in their faith as leaders by mentoring small groups and helping to engage others in ministry activities.

Cost

Participant and Youth Leader fee:
\$175 for the week

Scholarships are available. Contact a church representative from a participating congregation for more information.

Volunteers

Summer Stretch needs volunteers, but because we will be using buses and 15 passenger vans for transportation, our volunteer needs are different than in the past.

An adult from each participant and youth leader family is encouraged to volunteer one shift during the week. Volunteer shifts are listed on the registration form.

As a thank you to those who volunteer, you will receive a \$25 check in the mail the week following Summer Stretch.

Key Adult Volunteers come each day and lead one specific area (e.g. assigning drivers, driving every morning to a service site, etc.). Key volunteer fees are waived for one participant or youth leader. Contact a church representative for more information.
