

How to Donate Supplies for VBS

- A donations board covered with Post-It notes is located in the narthex.
- Each Post-It lists an item needed, as well as the quantity and suggestions on where to purchase it.
- Remove the Post-It notes for the items you would like to donate.
- Bring the item(s) to church by **Sunday, July 29th** (the earlier, the better).
- **Please note:** *The total quantities needed for each item are noted on the board, and this quantity is often broken down on individual Post-It notes. For example, if a total of 20 bottles of glue are needed, there may be four Post-It notes on the board, each indicating a donation of five bottles of glue. If you plan to provide 10 bottles, you would remove two Post-It notes.*
- **Monetary donations are also appreciated.** Drop them off in the church office, clearly indicating that your donation is for VBS.
