Opening Prayer

Book Discussion – Chapter 3 “Sometimes There Is No Reason”

- Would you prefer a world that is orderly or random?
 - Why?
- In what ways do you see our world currently as orderly?
 - In what ways is it random or chaotic?
- What examples or arguments from this chapter most resonated with you?
 - Are there some that unsettled you?
- What is at stake for us if we say the world is random or chaotic?
- What is at stake if we say that God intervenes in situations and individual lives?
 - Or that God doesn't intervene?
- Can it be both?
