Program 2.0

We have chosen a new date for our program. Please join us on Monday, Jan 12th @6:30 PM. Our classes will come together to present the songs and poems they learned as well as some new ones. Then join us for treat in the fellowship hall. We are excited celebrate the birth of Jesus!

(Please have children in the preschool room @6:00)

Going outside:

On days we plan to go outside we will let you know before.

To save paper we will post near the sign in sheet at preschool and send an email.

On outside days please bring your preschooler dressed and ready to go straight outside and play. The warmest mittens/gloves you have is recommended. All preschoolers are expected to come outside and play. Don't forget shoes and maybe a dry pair of socks in their backpacks.

Thank you!!!!!!

Thank you all so much!

Thank you for the gifts of treats, goodies, and gift cards. Your generosity is so appreciated. We are so blessed to be a part of your children and your families lives.
